## POLICE APPOINTMENTS.

Special Officer Ed. Johnson Strongly Indorsed for Patrol Driver. There is but one vacancy open to outsiders left in the police department, that of patrol driver, and applications for it are pouring in, among the most prominent applicants being Special Policeman Ed. Johnson, who is recommended by several police lieutenants and well-known citizens.

Inspector Cross went on duty Monday night, but whether he was successful in capturing an unwary "hoodler" it could not be learned, though his first report was given in to Major Moore yesterday.

Private Policeman David Hamilton has been made temporary sergeant in the place of Acting Sgt. Jordan, and it is thought a promotion will soon be made to fill the vacancy.

Suing to Recover a Debt. The Anglo-American Savings and Loan Association yesterday brought suit on a debt of \$1,732 against Wm. A. Kimmel. The money was borrowed on June 28, 1894, and a mortgage involving a deed in fee was given on lot 81 of Griffin's sub division of square 617. The company asks that Mr. Kimmel be called upon to pay or lose his right of redemption. If this cannot be done it asks that the property be sold and its value paid.

Deserted and Wants a Divorce. Louisa Brown yesterday sued Theophilus R. Brown for divorce. They were married on April 1, 1889, by Rev. William Gibbons, and have one child, Joseph E. Brown, now nine years old. She says he deserted her on May 18, 1892, when their second child, now dead, was only ten days old. He has never since contributed to their support.

Run Over by His Own Wagon. George Gantz, colored, fell from a wagon about noon yesterday on the Glenwood road and both front wheels of the vehicle, which was loaded with manure, passed over his body, seriously injuring him. He was removed to Freedman's Hospital in No. 8 patrol wagon.

Residence Struck by Lightning. During the storm last Thursday night lightning struck the residence of Mr. Ward, at No. 1100 G street northeast. The only mark left by the thunderbolt is a hole about four inches in diameter through the outer wall.

Charged With Forgery. Thomas H. Clark, a young colored man, was yesterday arrested by Detectives Lacy and Weedon on the charge of forging the name of Mrs. Eustis P. Matthews to a promissory note for \$100. Bond has been given for the defendant's appearance in the police court to-day.

# Clothed

in purple and fine linen and faring sumptuously every day—DYES may not be accused of riotous living—but of getting in his work to the discomfort of LAZARUS—and all other POOR PEOPLE—he was distinctly—

A DAISY, A POSITIVE AND ABSOLUTE SUCCESS.

—Or such how many are there among us to-day? We hesitate to enumerate—lest we inaugurate a SCARE. We don't want to "SCARE" anybody—but by COCK and PIE—we'd like to do a little TRUTH TELLING—which resolves itself into these few words—read—mark and inwardly digest them.

A Suit of Clothes for \$3.00

Strictly all wool—in not an every-day occurrence. Another at FOUR DOLLARS greets applause. Still another at

FIVE DOLLARS

warms enthusiasm. We are not at sixes and at seven when we class Carr's Mel-ton suits at

\$5.50.

We want you to appreciate not only the idea—but the position in which we place ourselves when we put such suits on sale at such a price—the suits are not below the standard—but the price named for them is simply ridiculous. This from a man who knows the ways and where-fores.

Safety Appliances on Railroads. The receivers of the New York, Lake Erie and Western system of railroads have applied to the Interstate Commerce Commission for an extension of time within which to comply with sections 4 and 5 of the act of March 2, 1893, requiring roads to equip their freight cars before July 1, 1895 with grab irons and hand holds in the ends and sides of the cars, and with drawbars of a standard height. The matter of the application has been set for full hearing before the Interstate Commerce Commission at Washington, D. C., on July 12, 1895, at 10 o'clock a. m., and all persons interested may be heard then, or may file statements of letters relating to the matter on or before the date of hearing.
